

CALHOUN CHRISTIAN

EXTENDED CARE PROGRAM HANDBOOK

2025-2026

Calhoun Christian School would like to welcome you to the Extended Care Program. Our Extended Care Program offers your child a safe, nurturing environment where they will have the opportunity to learn and grow as a student and individual. Extended Care will offer your child structured activities, outside time, a healthy snack and time to do homework.

It is the philosophy of Calhoun Christian School that raising and nurturing children is a team effort. We encourage you as a parent or guardian to work closely with the Administrator, Director, Teachers, and staff to clearly communicate the childcare needs of your family.

Calhoun Christian School’s Extended Care policies are included in this handbook. Please take time to go through this important information regarding your child’s safety and care. If your child has any health concerns, food allergies, or environmental allergies, please be sure they are verbalized and in writing for the entire staff. Please review and save this handbook for future reference.

We thank you for choosing Calhoun Christian School’s Extended Care Program to meet your family’s needs.

General Program Information

Calhoun Christian School's (CCS) Extended Care Program will be offered for students in preschool through fourth grade, Monday through Friday from 7:00 a.m. until school begins, and from 2:40 p.m. until 6:00 p.m., in Room 102.

Our Extended Care Program is open during the school year and is available on all FULL school days. **If students have a partial day, a snow day, or a scheduled day off (such as Christmas and Spring Break), Extended Care is NOT available.**

The CCS Extended Care Program is licensed by the State of Michigan Bureau of Regulatory Services. We accept all children and families of CCS without regard to race, creed, religion, national origin, sex, or special needs.

Licensing inspections, special investigation reports and all related Corrective Action plans can be found online at www.michigan.gov/childcare.

4:00 – 6:00 Independent Choice activities

Admission/Withdrawal Policy & Enrollment Process

To enroll in our Extended Care Program:

1. Enroll at CCS as a preschool or elementary student.
2. Review the Extended Care Handbook.
3. Complete the Extended Care Contract (final page of this document) and return it to the school's central office.
4. Ensure all monthly charges are paid by the deadline (sent at the beginning of each month for the month prior).

To withdraw from our Extended Care Program:

Withdrawal from the program needs to be done through the central office, not the lead teacher. You may contact the office via email at office@calhounchristian.org. We require two weeks' notice to withdrawal from the program. You will be responsible to pay through the end of your two-week notice.

To change your Extended Care Contract:

If your contracted schedule needs to be changed, a written notice must be on file with the changes at least two weeks prior to the change. Refunds or credit will not be granted for schedule changes not given within the two-week period. **If days of care or time of care need to be changed, approval is needed and a new contract must be submitted through the school office.**

Contract Terms

1. Extended Care will follow Calhoun Christian School's schedule for closings.
2. This contract holds your child's spot in our program, and you will be charged accordingly (see Billing).
3. For any emergency situations that come up in which a student cannot be picked up directly after school, the student(s) will be supervised in Extended Care and families will be charged a \$15 per family rate until 3:15pm and an additional \$1 per minute after 3:15pm. Please communicate with staff if this occurs ASAP!

4. Either party can cancel this contract with a 2-week notice, in writing, to the other party. However, if Calhoun Christian School determines that in the best interest of your child or the other children, for reasons including but not limited to: health, welfare and the safety of the other children, a child may be excluded from Calhoun Christian School Extended Care. This is to be done in writing. The contract will be terminated immediately, making this contract invalid. The parents of the excluded child will receive the prorated share of the extended care fees that have not been used as of the date of termination of this contract.
5. The parents, by signing this contract, agree to read the policies of the Extended Care Handbook and agree to abide by all the policies and procedures contained therein.
6. Completion of this Contract and the signature of the parent or guardian constitute an agreement that this student's extended care fees will be paid by the parent or guardian signing.

Billing

1. Payments will be made monthly to CCS and are NOT part of your monthly tuition payment. You will be billed by the first week of each month school is in session. Invoices will be sent via email from the school office.
2. Payment is due by the 20th of each month following service and may be made online by clicking on the link in the email, or by cash or check to the school office.
3. A \$25 late fee will be assessed for payments not received by the 20th of the month the invoice is sent.
4. A \$30 processing fee will be assessed to your account for all returned checks.
5. Failure to make payments on time may result in the loss of childcare arrangements at the discretion of the CCS Billing Department.
6. Additional fees of \$1 for every (1) minute increment will be charged to the next bill for children picked up after their contracted pick-up time.
7. Extended care fees are due regardless of child's absences for any reason, including but not limited to illness, quarantine, vacation, doctor's appointment, or parent's day off.
8. Accepting DHS payments will be determined on a case-by-case basis.

Extended Care Pick Up Procedure

1. To maintain a safe environment for the students, the exterior doors are always locked. Extended Care children will be picked up from the north Preschool entrance. Press the buzzer on the right side and you will be buzzed in.
2. The person responsible (as noted on the pickup list provided during enrollment) for picking up will need their code for signing out their child on the tablet provided in the classroom.
3. If a person other than the child's parent or guardian will be picking up, their name must be listed on the Pickup list provided during enrollment. Each person will receive their own code during enrollment.

Nutrition

We encourage healthy, nutritious snacks such as fresh fruits and vegetables, crackers and cheese and water to drink. A snack will be provided to the students every day. Please inform the Director of any dietary restrictions and we will do our best to accommodate. Parents may choose to send an individual snack daily for their child in lieu of what is being served. A snack calendar will be posted outside of the Extended Care room and will be updated accordingly with any substitutions made on the day of the change.

Hand Washing Procedure

CCS staff and students should adhere to the following hand washing procedure:

- Turn on the water to a comfortable temperature between 60 degrees to 120 degrees Fahrenheit.
- Moisten hands with water and apply soap.
- Rub hands together vigorously until a soapy lather appears and continue for at least 20 seconds.
- Rub areas between fingers, around nail beds, under fingernails, jewelry and back of hands.
- Rinse hands under running water until they are free of soap and dirt. Leave the water running while drying hands.
- Dry hands with a clean disposable towel. Turn taps off with the disposable paper towel.
- Dispose the paper towel into a lined trash container.

Hands must be washed with soap under running water. The following are not approved substitutes for soap and running water (unless water is temporarily unavailable):

- Hand sanitizers
- Water basins
- Pre-moistened cleansing wipes

Cleaning and Sanitizing

The following steps are to be followed for cleaning and sanitizing:

- Wash the surface or article vigorously with warm water and detergent (Spray bottle #1).
- Rinse the surface with clean water (Spray bottle #2).
- Submerge, wipe, or spray the surface or the article with sanitizing solution (Spray bottle #3).
- Let the article or surface air dry.

Examples of sanitizing solutions include but are not limited to:

- Water and non-scented chlorine bleach solution with a concentration of 50 – 200 parts per million (1 tablespoon per gallon of water). Bleach used for sanitizing must have an EPA (Environmental Protection Agency) number indicating approval for food sanitizing.
- Commercial sanitizers specified on the label to be safe for food contact surfaces and used according to the manufacturer's directions.

Tables and chairs in the classroom are cleaned and sanitized daily, prior to and after snack time, as well as at the end of the day.

CPR and Handling Bodily Fluids

Every CCS staff member is trained biannually in CPR, and annually in the handling and disposing of blood-containing bodily fluids and tissue discharges, and other potentially infectious fluids. Staff members will be responsible for cleaning and disposing bodily fluids properly. The Universal Health Precautions taken include the following steps:

1. Personal protective equipment needs to be used - gloves, gowns, eye protection and other protective gear.
2. Hands must be washed prior to and after.
3. Decontamination using appropriate cleaning methods to decontaminate surfaces and objects. For cleaning up vomit, spit up, or feces, the surface or object must be disinfected using water and non-scented chlorine bleach (1 tablespoon of bleach per gallon of water).
4. Waste disposal needs to be double bagged, labeled and taken directly to the dumpster.

Notification of Pesticide Use at CCS

Public Act 131 of 1193 requires the school to notify parents before applying pesticides at school. A "pesticide" is defined as a substance or mixture of substances intended for preventing, destroying, repelling, or mitigating pests, or intended for use as a plant regulator, defoliant, or desiccant.

This handbook is to be considered an annual notification to parents or guardians informing you that you will receive advanced notice of pesticide applications. This handbook is given out upon admittance or every August.

Pesticides are used occasionally in (mouse bait traps) and around the entire school building. You will be provided with a 48-hour advance notice prior to use. When the application occurs parents will be given detailed information about what was applied, the targeted pest or purpose, the location of application, and date of application. A notice will be posted on the door and in the hallway next to the Extended Care snack schedule. A notice will also be sent home. For questions, you may call our office at 269-965-5560. For further information, the National Pesticide Information Center can be contacted by calling 1-800-858-7378.

Health and Safety Information

Protection of children – We are required by law to report suspected cases of child abuse to Child Protective Services and our State Licensing Agent. For assistance with parenting, please call the Parent HELP line at 1-800-942-HELP.

No Smoking or Vaping Policy

The center has a NO SMOKING OR VAPING POLICY. Please do not smoke/vape on the property. This is a licensing rule and must be abided by all families using the Center.

Calhoun Christian Preschool Health Care Plan

The policies and procedures listed below are for the health and well-being of all children in our care at CCS. We take our obligation to provide a healthy environment seriously and appreciate your understanding and cooperation. This plan applies to both students and staff. We reserve the right to ask parents to take a child home if our staff assesses the child and determines the child is ill, unable, or unwilling to participate in normal activities, and/or the staff is unable to provide extra care without compromising the health and safety of the other children. We encourage you to have a secondary plan in place for childcare before sickness occurs.

Sickness/Injury

1. All children must have updated Immunizations. Waivers must be obtained through the Department of Community Health and renewed annually.
2. Children with a **temperature of 100 degrees** and/or above will be removed from the classroom, away from the other students. Parents will be contacted via phone and requested to pick up their child immediately. Sick children will remain away from the other children (on a cot behind the teacher's counter) until parents or authorized persons listed on the Child Information Record pick them up. Children must be non-medicated and fever free for 24 hours before returning to school.
3. Children noted by caregivers to have skin eruptions, undiagnosed skin rashes, diarrhea, prolonged coughing, or vomiting will be sent home. **Children must be symptom free for 24 hours before returning. Children on antibiotics must wait 24 hours before returning as well.**
4. Calhoun Christian staff must also remove themselves from the program if they experience any of the above and may not return until they are symptom free for 24 hours.
5. Children diagnosed with a communicable disease must stay home until they are no longer contagious. Parents must report diagnoses to the school office as it then must be reported to the Department of Community Health.
6. When a preschool or elementary student at CCS contracts a communicable disease, a notice will be posted outside of the program.

Emergencies

The Lead teacher will assess the seriousness of an injury. The teacher will treat minor cuts and scrapes. If the injury is an emergency, the teacher will determine if an ambulance should be called. Parents will be called immediately. The Child Information Record will be consulted for contact information. If neither parent is available, the persons designated by the parents to be notified in the event of an emergency will be contacted. If neither parent or designated persons are available in an emergency, the physician listed on the Child Information Record will be called and his/her instructions will be followed. When contacted, the parent or authorized persons listed on the Child Information Record will be expected to arrive immediately.

1. A CCS Accident Report will be completed, copied, and sent home for any minor incident including accidents and injuries on the day of occurrence. A State of Michigan Incident Report will be completed if a serious injury or emergency occurs, and it will be filed with the Department of Human Services.
2. If a parent reports that a child received medical treatment or was hospitalized for an injury, accident or medical condition that occurred while the child was in care of the center, a verbal report to all necessary departments will be made within 24 hours of the parent reporting the treatment or hospitalization.
3. In addition to contacting parents by phone, a verbal report will be made to all necessary departments within 24 hours of the following incidents: Lost or unsupervised child, an incident involving allegation of inappropriate contact, physical discipline by staff, the death of a child in care, a fire on the premises of the center that requires the use of fire suppression equipment, or the center is evacuated for any reason.

Medication Policy

- All medication must be in the original container labeled with the child's name and administering instructions included on the pharmacy label.

- Medication is in a designated, locked medication drawer in the Director’s office.
- Parents must fill out a medication permission/instruction form provided by the office or the Lead teacher in the Extended Care room. Chapstick and lotion ARE considered medication and must have a form completed.
- Medications will be given as instructed (dosage and time) by the parent on the medication form.
- All medication dispensed will be recorded: date, time, and by whom on the Medication form.

Weather Emergency Procedures

- **Tornado Policy** – In the event of a tornado WARNING, the Lead teacher will lead the children to the designated area in the school until the “all clear” is issued.
- **Inclement Weather Closings** – When inclement weather occurs, closings will be on local radio (WBCK) and television stations (WOOD-TV8, WWMT 3 and WOTV 41). If CCS is closed or closes early, the Extended Care Program will also close.
- In the event of a real-life emergency in which students must be relocated, they will walk to St Joseph School, 47 North 23rd Street. Parents will be contacted via an all-school notification and/or director-made phone calls to each family. We will also notify the police department. We are thankful to be under the protection of the King and hope you find comfort in knowing this as well!

Outdoor Play Policy

We will attempt to go outside to play every day, weather permitting. Every child should come prepared with the proper outerwear during the winter months (snow pants, boots, mittens, and hat). Every effort will be made to provide appropriate outerwear for your child if he/she comes unprepared; however, if it becomes habitual, your child will be required to keep an additional set of outerwear in the Extended Care room.

Discipline Policy

“Train up a child in a way they should go... and they will not depart from it.” Proverbs 22:6

Our objective in discipline is for each child to develop inner control (i.e. self-discipline). This is achieved by all staff and children knowing the guidelines for behavior and consistently upholding them. We are positive toward and supportive of the child, but not of inappropriate or disruptive behavior. Our belief is that many discipline problems can be avoided by proper management of the classroom environment - lots of interesting activities and learning experiences in the daily curriculum and by sensitive awareness of the child’s abilities, needs, and feelings.

Specific discipline procedures are listed according to decreasing frequency:

1. We use positive methods to encourage positive behavior: praise, stickers, happy notes, prizes from prize jar, Cougar Paws, etc.
2. We encourage children to use words or other non-aggressive problem-solving methods. Give children time and opportunity to solve problems before interacting with the answer.
3. We re-direct children.
4. We may have a child take a break in a quiet chair if undesirable behaviors continue. This will be followed by talking with the child about the occurrence that warranted the break and talking with the parents about what occurred. This should be documented in the behavior log to help determine if this undesirable behavior is consistently occurring.
5. If consistent misbehavior continues, a meeting with the director needs to occur along with notifying the parents to determine an underlying cause and to eliminate the unwanted behavior.

Behavior Expectations

- Every child is expected to act in a respectful and responsible manner toward others and their property.
- Children are expected to keep their hands and feet to themselves and not cause physical or emotional harm to others. Possession of potentially dangerous objects is not allowed.
- Children are expected to use kind and caring words towards one another.
- If we feel that a child is not adjusting to the program; displaying unacceptable behavior such as excessive biting or aggressiveness; or that CCS cannot meet the needs of your child; the director and school

administrator will advise you and suggest other options. We will give two-week notice to find alternate care. However, sometimes it is better for all concerned if a child is dropped immediately. This of course will be our last option after all other attempts have been made and resources have been exhausted. Non-payment of fees and tuition would be an additional reason for dismissal.

Transportation

CCS does not own a bus or offer any transportation. CCS does not offer any field trips during our Extended Care program.

Policy Changes

The CCS board and/or the School Administrator or CCS Director or may change, delete, suspend, or discontinue any part or parts of this Extended Care Handbook at any time without prior notice as school business, employment legislation and economic condition dictate. You, the parents, will be notified of such changes.

This Parent Handbook replaces all other Calhoun Christian Extended Care Handbooks, or other policies and procedures whether written or oral. This Extended Care Handbook is to be used in conjunction with the CCS Parent Handbook.
