Student Driver Policy – excerpt from Parent-Student Handbook

All students driving to school must have school permission for parking. This permission is obtained from the office by filling out a Driver Registration Form.

Cars must be driven slowly on CCS property. Parking is limited to designated areas. Unsafe driving, speeding, or parking violations will result in suspended driving privileges for five (5) school days for the first offense. A second offense will result in ten (10) days loss of driving privileges on school property. Further driving violation offenses will result in a parent-student-administrator conference and a loss of driving privileges. The administrator will determine the length of suspended privilege days.

Written permission is required to be on file for all student drivers and their riders who drive/ride to off-site facilities during the school day (i.e., CACC, BCAMSC, and KCC). When the students leave their cars in the morning, they must take all their items for school, lock their doors, and not return to their cars until dismissal for the day.

I agree to abide by the handbook information listed above:
